CONNECT REGISTRATION

Welcome to Connect!

Connect is an online interactive program designed to personalize your learning experience and provide you with the immediate feedback you need to do well in this course.

Please follow these instructions to register for access to McGraw-Hill Connect Accounting.

All students have the option to register for access to Connect Accounting (where your Ready Action Assignments and Great Adventures Cases will be assigned) using a FREE 14 Day Trial prior to purchasing your textbook package. We are making this trial available to you to alleviate any potential problems that could occur due to backorders of books or delays in financial aid at the beginning of the term.

IMPORTANT: If using the 14 day free trial, you must make sure to upgrade to a full access code prior to the end of your free trial, or you will miss some assignment due dates that will NOT be able to be made up. If you cannot assure that you will be able to purchase full access before the end of the free trial, you will need to register for the Summer B term instead, so that you will not miss any assignments.

To take advantage of this FREE Trial, or to redeem an access code, or to buy online access to Connect, please follow the instructions below:

1) Log into Webcourses and navigate to your ACG 2021 Section
2) Click on the Access to McGraw Hill connect from the content area
3) Click on the Connect Button and enter your Knights email
4) It will look for your account and you will then be able to start a free trial, enter your access code, or buy access online.

IF YOU DO NOT FOLLOW THESE REGISTRATION AND PAIRING INSTRUCTIONS YOUR GRADES WILLNOT TRANSFER TO YOUR WEBCOURSES GRADEBOOK. Please see the additional document posted to Webcourses for a detailed walk-through with screen shots of this process. If you have any trouble registering, please call McGraw-Hill at 1-800-331-5094.

IMPORTANT: The User Name MUST be your official Knightsmail email address, or you will not be able to receive credit for your assignments. After you have successfully registered for this class you can just login either at the above link in Webcourses or should you need to access Connect directly visiting the main Connect site at www.mcgrawhillconnect.com.
