

UCF Creed Based Academic Integrity Commitment

At the University of Central Florida, it is vital that as a community, we continue to demonstrate and uphold academic integrity in all learning environments.

We must practice integrity, honesty, and trust when submitting work (graded or ungraded) and when taking quizzes, tests, and final exams. We must also practice respect when participating in discussion platforms and allow space for the diversity of thoughts, opinions and ideas.

I agree to uphold academic integrity and practice respect in all learning environments.

In doing so, I **will**: *(initial that you have read and agree)*

_____ Commit to uphold the integrity of my academic work. I will do so by ensuring the work I submit is my own and of my own effort.

_____ Commit to not use any unauthorized assistance or unauthorized sources when completing coursework, taking quizzes, tests, and final exams. This includes but not limited to Chegg, Coursehero, etc.

_____ Commit to not provide unauthorized assistance to another student when completing coursework, taking quizzes, tests, and final exams by not making any materials, answers and/or solutions available to anyone else (except to the extent an instructor explicitly permits the sharing of information).

_____ Promote a respectful learning environment when participating in class discussion and allowing space for the diversity of thoughts, opinions and ideas.

_____ Commit to not engage in any other activities that will unfairly improve my results or unfairly improve or hurt the results of others.

_____ I understand if I choose to complete any course work in an unethical manner, I may be held accountable by my instructor and the University. I choose to conduct myself in upholding not only integrity, but all the tenants of the UCF Creed.

Integrity	I will practice and defend academic and personal honesty.
Scholarship	I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.
Community	I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.
Creativity	I will use my talents to enrich the human experience.
Excellence	I will strive toward the highest standards of performance in any endeavor I undertake.

The UCF Creed represents the values and principles that have always guided our community, and in these unprecedented times it is important to reaffirm our commitment to our community and its values.

By signing my name below, I commit to upholding academic integrity, practicing respect, and demonstrating personal responsibility in the learning environment as a UCF Knight.
